Aug 15, 2014 It contains some things from Caterpillar which is like a error at the word 2010A. Oct 10, 2014 Caterpillar sis-2010b (home and business) license key fixed by CBPC Team Oct 28, 2015 The rar. file is bad that can't be opened. update your Winrar, and download the file again, it is working fine with no error. Jun 27, 2016 SIS MOD (ITS) (SIS (2) Revision 3.0) (SCI) SIS-2011 (2A) = SIS-2010b (2A-001). Incidentally, Caterpillar themselves will replace the damaged part in the warranty, and thus there is no need for any "key" in these cases. Because it is unusual for people to ask for a cracked file, I assume that the people who have "cracked" these files are simply sharing them to everyone. If you want to have this application, and you're not using Windows 95/98/Me, then you're better off just buying a license for the full edition. The fact that you're using Windows 95/98/Me is evidence that you are not a big enterprise and the benefits of your not having to pay a lot of money do not justify all of the drawbacks. By comparison, the benefits of having SIS significantly outweigh the drawbacks of not having it. Is it.rar? Is it.sca or.gz? I didn't know, that you need a... key. When you buy this version, you have to be registered as a big enterprise company, otherwise you are only allowed to use SIS with a trial license... I found only an installer of SIS. It's look like that: I didn't find the "compare-key" for SIS 2010A and SIS 2011A So, I guess it's.sca If so, it's a keygen for SIS 2010A and SIS 2011A, right? You will be able to know, that you are licensed to use SIS right? I don't know how to do that. The installer is from 2010A. That means, you are licensed to use SIS right? Or this installer was from 2011A? So
