Keep fighting until you have no more troops, no more cards, and everyone is dead? That's Split Knight. Great for fast-playing strategy games, multiplayer games, and tournament games, Split Knight lets you make split-second decisions by letting you make a player or a deck do their own thing. Split Knight is free, and you're free to do whatever you want. Play live, or play just for kicks. **FEATURES...** ? Poker-style play ? Multiple modes ? Local games, online multiplayer ? Swing and Tilt-o-Matic Match Game for Two Players ? Card Swipe-ability ? Loading screen & background music ? Compatible with both iPhone 4S and iPhone 5 ? Game Center Support ? Compatible with lots of different cards and stats... 4. iPad Ruler - Mobile/Navigation... The official app from National Geographic, the exclusive iPad magazine on the history of the world. **WOW!** National Geographic's iPad App is the first app to take full advantage of the exclusive iPad experience. This iPad App tells you all you want to know about the history of the world. The richly illustrated and easy-to-read lessons are augmented with interactive maps and virtual tours of ancient, historical and culturally significant sites. **FEATURES...** ? Over 150 History of the World lessons ? Interactive maps and virtual tours of ancient, historical and culturally significant sites ? Background music ? Offline mode for viewing presentations ? Search the App's database of over 2,400 lessons ? New lesson content will be added in future upgrades ? Compatible with both iPhone 4S and iPhone 5 5. iPad Ruler Lite - Mobile/Education... The official app from National Geographic, the exclusive iPad magazine on the history

What's New in the?

Proven to help you complete your assignments, earn high grades, and learn more fast. Extensive options and simple interface: MHX Homework Helper makes it easy to quickly learn more about the rules of each subject and master complicated math concepts. The application combines easy-to-remember presentations with the option to simply copy content from one place to another, like the original text or any other file format. Best of all, you can study from any part of the application simply by dragging the image to the desired spot, like the book cover or the text. Add your own content: You can make use of the several chapters that come with the application, study about physical, chemical and biological processes, among others. You can easily create your own content by selecting one of the existing topics and by adding additional information to each of the chapters. Proven to improve your grades, earn high grades, and learn more fast!
