

[Download](#)

After entering the serial number, the program will display your computer's hardware key. f12screens_activation3. Write down this hardware key, and then use ... f12screens_activation4 ... to complete the activation. After the activation is complete, you can continue working with the program. If you press the key f12screens_activation3 or f12screens_activation4 you can enter the mode for restoring the program settings. After entering this mode, the program activation window is displayed. You can enter a new hardware key or press the "Continue" button to continue working with the program.
